All shipments are considered "contiguous USA only" unless otherwise mutually agreed to in writing by Purchaser and Vantive.

4.2. Shipping Terms and Risk of Loss

The risk of loss on Equipment passes to Purchaser upon Vantive's shipment from Vantive's shipping point. Purchaser agrees, at Purchaser's own cost and expense, to keep the Equipment fully insured against destruction and loss from the date of shipment of the Equipment until the amounts owed are paid in full. Upon Vantive's request, Purchaser will provide Vantive with proof of such insurance.

5. Billing and Payment

5.1. Terms of Sale

All Orders are subject to credit approval and acceptance at Vantive's home office. Standard payment terms are net thirty (30) days from the date of invoice. Payment terms are in effect as of the date of the order. Payment is made to the "remit to" address indicated on the invoice. Credit card payments are subject to approval by Vantive's Credit and Collections department.

A service charge of one and one-half percent (1½%) per month (or the highest amount allowed by applicable law, if lower) shall be added to all amounts past due. Additionally, Vantive reserves the right to require payment in advance of shipment.

5.2. Prices

Product is priced at the amount indicated for the selling unit of measure ordered. Prices and specifications are subject to change without notice. All shipments are billed at the price in effect on the date of the order. Product, with the exception of Equipment, is billed upon shipment. Equipment is billed after implementation. Product prices are exclusive of all taxes, discounts or rebates.

5.3. Discount Disclosure Statement

Any discounts, rebates, incentives, or other reductions in price issued by Vantive to Purchaser under these Terms and Conditions may constitute a discount within the meaning of 42 U.S.C. §1320a-7b(b)(3)(A) and/or 42 U.S.C. §1320a-7b(b)(3)(C). Purchaser may have an obligation to properly disclose and appropriately reflect such discount to any state or federal program that provides cost or charge based reimbursement to Purchaser

for the items to which the discount applies. Purchaser agrees to make proper disclosures of any and all discounts, rebates, credits, reimbursement and other like programs. Purchaser agrees to comply with all applicable laws when seeking reimbursement from any government entity for Products supplied under these Terms and Conditions. Vantive will report all discounts on the invoices, coupons or statements submitted to Purchaser. Where the value of a discount is not known at the time of sale, Vantive will report the existence of the discount program on the invoices, coupons or statements submitted to Purchaser, and when the value of the discount becomes known, provide Purchaser with documentation of the calculation of the discount identifying the specific goods or services purchased to which the discount will be applied.

For Product provided to Purchaser, Purchaser acknowledges the value of such Product. Purchaser further acknowledges that this dollar value is a "discount or other reduction in price" on the Product under Section 1128B(b)(3)(A) of the Social Security Act (42 U.S.C. 1320-a-7b(b)(3)(A)). Purchaser shall disclose the discount or other reduction in price under any state or federal program which provides cost or charge-based reimbursement to Purchaser.

5.4. **Credit and Disputes**

- a. Only amounts which are disputed in good faith may be withheld from payment pending resolution. Any portion of an invoice not in dispute must be remitted within the payment terms of each sale. All disputes must be submitted in writing to Vantive's Credit and Collections Department (contact information noted on page 1 of these Terms and Conditions) within thirty (30) days from the date of invoice. All disputes or rights are waived unless the Purchaser's complaint has been received by Vantive within such thirty (30) day period.
- b. If Purchaser disputes an invoice or portion of an invoice and such dispute is invalid or incorrect, Purchaser will pay additional charges referenced above (in Section 5. Billing/Payment) on any unpaid amounts in dispute. Such charges will begin to accrue on the date payment was originally due.
- c. Vantive reserves the right to place a hold on Product deliveries to Home Patients or Purchaser in accordance with Vantive's Home Patient/Customer Order Hold Procedure (available on request) should Purchaser continue to withhold payment after multiple attempts to obtain an approved payment commitment.

IN NO EVENT SHALL VANTIVE BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM THE USE OF THE EQUIPMENT AND/OR PARTS. Some states may not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to Purchaser. This warranty gives Purchaser specific legal rights and Purchaser may also have other rights, which vary from state to state.
